Note: Applicants for Fall 2009 and beyond responded to a revised question about race/ethnicity on the application for admission. The revised question allows for multiple responses and includes a new category of "Native Hawaiian/Other Pacific Islander". The "primary value" method of aggregating to one reporting category (see [apa.wisc.edu/CLH/Race\\_and\\_Ethnic\\_Definitions.pdf](http://apa.wisc.edu/CLH/Race_and_Ethnic_Definitions.pdf)) is used here. Note: Applicants for Fall 2009 and beyond responded to a revised question about race/ethnicity on the application for admission. The revised question allows for multiple responses and includes a new category of "Native Hawaiian/Other Pacific Islander". The "primary value" method of aggregating to one reporting category (see [apa.wisc.edu/CLH/Race\\_and\\_Ethnic\\_Definitions.pdf](http://apa.wisc.edu/CLH/Race_and_Ethnic_Definitions.pdf)) is used here. The targeted minority category includes: African American, Southeast Asian (Vietnamese, Hmong, Laotian, Cambodian), Hispanic/Latino(a), and American Indian. The minority category includes all of the same students as targeted minority but adds the other Asian students and the Native Hawaiian students.
